### **LIMITED REVIEW REPORT**

To,  
The Board of Directors  
The Phoenix Mills Limited

### **LIMITED REVIEW REPORT ON THE UNAUDITED STANDALONE RESULTS OF THE PHOENIX MILLS LIMITED FOR THE QUARTER ENDED 30<sup>th</sup> JUNE, 2020**

1. We have reviewed the accompanying statement of unaudited standalone financial results of The Phoenix Mills Limited (the 'Company') for the quarter ended 30th June, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition & measurement principles laid down in the Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules thereafter and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. We draw attention to Note 4 of the Statement, which describes the company's management evaluation of impact of Covid 19 pandemic on the future business operations and future cash flows of the Company and its consequential effects on the carrying value of assets as on 30th June, 2020. The Management has made a best estimate of the revenue recoverable for the quarter ended 30th June, 2020 on the basis stated in the said Note. In view of uncertain economic conditions arising out of pandemic, the management's evaluation of impact on subsequent periods and of amounts of revenue recognised during

the period is highly dependent upon conditions as they evolve. Our conclusion on the Statement is not modified in respect of these matters.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the recognition and measurement principles laid down in applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- The company has issued 2,750 Equity Shares under the ESOP scheme at an exercise price of ₹ 333.90 per equity share (including premium of ₹ 331.90 per equity share) during the quarter ended 30th June, 2020.
- The Board of Directors approved the Scheme of Amalgamation ("Scheme") under section 230 to 232 of the Companies Act, 2013 for merger of Phoenix Hospitality Company Private Limited ("PHCPL"), a subsidiary company with the Company from the Appointed Date 1st April, 2019. The effect of the merger would be accounted for after the Scheme is approved by National Company Law Tribunal ("NCLT") and other authorities. The Company has received a No-objection Certificate from both the stock exchanges, pursuant to which it has filed the merger application with the NCLT, based on which the NCLT has directed the Company to convene the Shareholders' meeting. Owing to the Covid induced Lockdown, the Company has applied for an extension to convene the said Shareholders' meeting.

- 4 The Company's operations have been impacted by the Covid 19 pandemic induced lockdowns. In preparation of these results, the Company has taken into account internal and external sources of information to assess possible impacts of the pandemic, including but not limited to assessment of liquidity and going concern, recoverable values of its financial and non-financial assets. Based on the current indicators of future economic conditions, the Company has available sanctioned unutilised working capital limits to meet any of its immediate cash flow requirements. For cases, where discussions have not commenced or are ongoing, the revenue accrual considers the management estimate of most likely agreeable amounts of concession based on its ongoing discussions and its relationship with the retailers / licensee.
- Based on current estimates, management expect to recover the carrying amounts of the assets that includes the revenue recognized during the quarter. Considering the evolving nature of the pandemic, its actual impact in future could be different from that estimated as at the date of approval of these financial results. The company will continue to closely monitor uncertainties arising of material changes to the future economic conditions.
- 5 Considering the impact of concessions given in lease rentals and other recoveries during the current quarter ended June 30, 2020, the above results and performance for the quarter is not representative of revenue and performance for the entire year.
- 6 The Company is predominantly engaged in the business of property and related services, whose results are reviewed regularly by chief operating decision maker for making decisions about resource allocation and performance assessment. As such , there are no separate reporting segments as per Ind-AS108.

**Notes:**

- 1 The above Consolidated unaudited Financial Results of the Group for the quarter ended 30th June, 2020 have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meeting held on 29th July, 2020.
- 2 The Company has issued 2,750 Equity Shares under the ESOP scheme at an exercise price of ₹ 333.90 per equity share (including premium of ₹331.90 per equity share) during the quarter ended 30th June, 2020.
- 3 The Board of Directors approved the Scheme of Amalgamation ("Scheme") under section 230 to 232 of the Companies Act, 2013 for merger of Phoenix Hospitality Company Private Limited ("PHCPIL"), a subsidiary company with the Company from the Appointed Date 1st April, 2019. The effect of the merger would be accounted for after the Scheme is approved by National Company Law Tribunal ("NCLT") and other authorities. The Company has received a No-objection Certificate from both the stock exchanges, pursuant to which it has filed the merger application with the NCLT, based on which the NCLT has directed the Company to convene the Shareholders' meeting. Owing to the Covid induced Lockdown, the Company has applied for an extension to convene the said Shareholders' meeting.
- 4 The Group's operations have been impacted by the Covid 19 pandemic induced lockdowns. In preparation of these results, the Group has taken into account internal and external sources of information to assess possible impacts of the pandemic, including but not limited to assessment of liquidity and going concern, recoverable values of its financial and non-financial assets. Based on the current indicators of future economic conditions, the Group has available sanctioned unutilised working capital limits to meet any of its immediate cash flow requirements. In order to conserve its cash flows, the Group has availed moratorium offered by lenders as per the RBI guidelines on principal and interest for a period of 6 months. It has also assessed the potential impact of Covid-19 on the carrying value of property, plant & equipment, Capital work in Progress, inventory, intangible assets, investments, trade receivables & other current assets.  
  
For recognition of Mall revenue for the quarter ended June 30, 2020, management has considered certain concessions/relief/moratorium on rentals extended to its retailers/licensees for the period of lockdown as well as some further period considering the extended impact of the pandemic. Such concessions are determined based on discussions concluded with retailers/licensees on case to case basis. For cases, where discussions have not commenced or are ongoing, the revenue accrual considers the management estimate of most likely agreeable amounts of concession based on its ongoing discussions and its relationship with the retailers / licensee.  
  
Operations at Residential site have witnessed limited impact. The project continues to see significant buying interest as evidenced from site visits from customers and channel partners.  
  
The Group expects the hotels to become operational in phased manner as the demand for its services is expected to pick up albeit at a slower pace. The city of Mumbai continues to be in the state of partial lock down with few relaxations being introduced by the Government. Demand outlook for second half continues to remain good mainly on account of demand from corporates and postponement of large, luxury weddings during March 2020 to June 2020 to the period between October 2020 and March 2021.  
  
Based on current estimates, management expect to recover the carrying amounts of the assets that includes the revenue recognized during the quarter. Considering the evolving nature of the pandemic, its actual impact in future could be different from that estimated as at the date of approval of these financial results. The Group will continue to closely monitor uncertainties arising of material changes to the future economic conditions.
- 5 Considering the impact of the pandemic on the operations of the group during the current quarter ended June 30, 2020, the above results and performance for the quarter is not representative of revenue and performance for the entire year.
- 6 Based on the results & the financial information regularly reviewed by chief operating decision maker for making decisions about the resource allocation & performance assessment, the group has on consolidated basis identified two reportable segments viz Property & related services and Hospitality services as per Ind As 108. The Segment information is as per Annexure "A".
- 7 The figures for the quarter ended 31st March, 2020 are the balancing figures between the audited figures in respect of the full financial year and the published year-to-date figures up to the third quarter of the said financial year, which were subject to limited review by the Statutory Auditors.
