Retail malls in India: Widening gap of demand and supply

Mall additions in past three years at all-time lows...

... while demand for new rental space will remain robust

- ✓ There is dearth of quality mall space in India
- ✓ Gap between demand and supply is further expected to widen as the demand will outstrip supply by wide margin
- ✓ PML is well positioned to benefit from this favourable demand supply gap
- ✓ We are aiming to double our portfolio and have recently bought a new land parcel in West Pune in August 2017

PML's evolution into a retail powerhouse

1999 - 2005

- ✓ Evolution of HSP from a textile mill → to an entertainment and gaming hub → to a shopping and entertainment destination
- ✓ Blueprint for the concept of creating urban consumption hubs
